

The 14th Film Festival for Women's Rights

Entry Rules

(FIWOM 2020)

Deadline: March 29, 2020

The name of our Film Festival, FIWOM means "blooming" in Korean. Since 2006, Korea Women's Hot-line has hosted FIWOM to publicize the truth about violence against women and to spread the culture of supporting the survivors of gender-based violence. We hope that stories of brave women who are finding their own lives and fighting for human rights would 'bloom' in our film festival.
